Partnership Opportunities

About Us

The Alan B. Levan | NSU Broward Center of Innovation is excited to announce the launch of our newest membership program, "Women of Vision", honoring Susie Levan's legacy and her lifelong commitment to the community and to empowering women.

The "Women of Vision" believes in women empowering women by creating a community of confidence and collaboration that will foster their individuality and their unique valuable perspectives on life. We will provide women with the tools to achieve their goals, empower their vision, break barriers, overcome challenges, and impact their professional field. We recognize that when women are given the opportunities to succeed, they drive growth in their organizations and their communities.

Our Goals

To achieve the success of this membership program, we seek to establish strategic partnerships with key organizations, by extending an invitation to become a partner and playing a pivotal role in this initiative, through financial support.

These partnerships will drive the growth of the professional community by fostering women's empowerment, supporting ongoing professional development, strengthening community ties, and promoting innovation—all perfectly aligned with the mission of the membership program.

The financial support received will assist with expanding the program's reach and enhancing member benefits, with the following main objectives in mind:

Enhance Member Benefits: Develop additional resources, workshops, events, and exclusive member perks.

Expand Membership Reach & Engagement: Increase membership enrollment through marketing and outreach efforts.

Increase Event Quality & Frequency: Provide high-quality workshops, networking events, and professional development sessions, while ensuring the long-term success and growth of the membership program.

Partnership Opportunities

As a partner you will benefit from increased brand visibility, access to a highly engaged professional community, and positive associations with an industry-focused program. The partnership will also provide the opportunity to strengthen relationships with key industry professionals and engage with future leaders in different sectors.
